Hello Bob, Rafael, Gary and Philip:

As I indicated in my response email yesterday, I concur that the Falcon Refinery situation should be discussed in a meeting. An initial meeting is necessary to establish a recommendation that may be presented to Sam Coleman. Please let me know your schedules for early next week for an initial meeting.

Please know that the time for our initial meeting must accommodate the schedules of section leaders and branch chiefs, who must participate in the discussion concerning the formulation of a recommendation.

Thank you,

Gloria Moran
